October 2023

A Message from Our Pastor, Pat Pluss . . .

It is amazing to think about how much work the Kilby fundraiser is! Luckily, we have a good base committee of three, Melodie Ace, Tabatha Barnaby, and Shelly Johnson who put in an incredible amount of time and effort! It is nothing short of a miracle to watch all the little parts come together. People donate money, food, and time.

It reminds me of something I once read about snowflakes. A snowflake by itself can do nearly nothing, but you put enough of them together and they stop traffic! It is amazing to think of what our church can do when we all work together.

Listen to what the Apostle Paul wrote to the Corinth church that had faced some divisions, found in **1 Corinthians 1:** *"I to you, brothers and sisters, in the name of our Lord Jesus Christ, that all of you agree with one another in what you say and that there be no divisions among you, but that you be perfectly united in mind and thought."*

When it came to the Kilby fundraiser we were indeed united! Our hearts all wanted to serve others, and support a great cause. It excites me to think of the continue ministry Swiss Church will experience when we come together with a like cause.

We do that each week in worship. We come together to worship, as we grow in our faith by loving God and loving others. Our church gives us the opportunities to serve, and love, and grow!
I look forward to worshiping and working with you!

Blessings,
Pat

Kilby "Thank You" --

The Swiss Church would like to thank everyone who helped make our Kilby celebration a huge success! Thank you to those who donated the key components of our Kilby meal, and also those who gave financial donations. Thank you to the many folks who shopped, baked, cooked, fried, and those who worked many hours preparing, serving, and delivering our delicious meal. We greatly appreciate your support in purchasing our tickets for the carry out meals, as well as purchasing items from our downtown food stand. Blessings to all of you!

Kilby 2023 . . .

New Members Class Scheduled

We will have an informational meeting regarding membership of the Swiss UCC on **Sunday, October 15 – following worship 10am.** Would you like to consider becoming an official member of the Swiss UCC church? While everyone is welcome and is an important part of the fellowship of our church – here is what I believe is important about church membership.

- Church membership allows you voting privileges on some of the most important decisions of the church.
- Church membership makes your commitment visual. It is like waving a red flag to say I am a part of something bigger than myself.
- Church membership keeps us accountable. You will be asked to serve in a some compacity.
- Church membership connects us in a special way with each other!

If you would like to consider becoming a member of the Swiss UCC – please email me at pat@swisschurch.org or call me at 608/558-6063. Thank you!

Thank you -We are blessed!

We would like to thank the entire community of Swiss UCC for the continued prayers, notes, cards, and kind words as Dave has some significant health concerns. We are blessed by your support and love!

MISSION/EVENTS/NEWS

Mission Committee

Thank you to everyone who supported our September mission for Hawaiian relief and NAMI. Your support is greatly appreciated!
These are the mission opportunities for October and November:

- October we will be **collecting Halloween treats** to give out during the chamber "Trick or Treat" event on Sunday, October 29, 2:00pm – 4:00pm. We will include an invitation from Swiss UCC to our children's Sunday School and worship opportunities. If you would like to donate wrapped candy, snacks, pencils, etc. for our packages please bring the items to worship or drop them off at the church office. We are collecting until Sunday, October 22. Thank you!

- November we will be **collecting stamped Christimas Cards** to deliver to the Green County Jail. These stamped cards will be given to the inmates so they can send cards to their family members. This is appreciated so much, often it is the only gift they are able to give their loved ones. Please bring your stamped cards to the church or drop them off at the church office. We will be collecting them until Sunday, November 26. Thank you!

- Are you interested in **sponsoring a child from El Salvador**? The cost of the sponsorship is $160 per year, with the bulk of that money covering school expenses such as books, supplies, uniforms and shoes! This program has been in existence for 20+ years and is currently supporting over 100 students. During the course of the program, over 25 students have graduated with technical or college degrees and have found employment in their fields. Others have finished high school and are supporting their family and community. If you would like to sponsor a child or contribute funds for the school program, please contact the church office or Christine Craven!

All God's Children 2023 Oscar Update –

(Oscar also supports 50 students plus)

In general, during this period, students are attending school and others are attending the university in person, for the most part. One of the main difficulties that the families of the students are facing this year has been the increase in the price of the food basket. Basic food which exceeds $250.00, which means that in most cases families are prioritizing the purchase of food for their children in the case of the communities of Usulután. Another of the problems that the families of the students are facing is the drought for the cultivation of basic grains such as corn and beans, which represents a harsh scenario since this situation impacts the small economy of the families who most of them do not have permanent employment.

Even with the difficulties that families face and thanks to the support of the church, there is a symbol of hope since this year two young people from the Los Niños De Dios program have graduated.

Jessenia Cortez Graduated from Technician in Logistics and Customs

Rosibel Rodriguez Graduated in Psychology

During the existence of the program, it has contributed to the graduation of other young people that are detailed here:

- Haydee Diaz graduated in Languages
- Vladimir Comayagua graduated in Teaching
- Glenda Alfaro Graduated as Mathematics Teacher
- Wilber Noe Chávez graduated in Civil Engineering
- Mario Ernesto Amaya (for graduating 2023 in Faculty)
- Francisco Armando Quintanilla graduated in Languages
- Manuel Comayagua graduated Computer Science
- Aleyda Alfaro Graduated in Nursing Technician
- Josué Fernando Flores (To graduate 2023, clinical lab)

2023 Students in the community of Talpetade

Update from Lidia for 2023 – We are supporting 52 children
(Kinder and Primary School – 22; Elem. School – 16; High School – 7; Spec. Ed. -1; University – 6)

At the beginning of the year in the list of scholars was Yamileth Esmeralda Arias Cruz. She was sponsored by Heidi Mondlach, but this girl deceased on January 2023. She was suffering for many years of her kidneys, but she never stopped and was going to the school, was very sad for her family. This year all the students are coming to the school, nobody is at home, it is good!! Just some university students have some classes online.

I am always visiting communities and share with the families in our meetings and gatherings, I like and enjoy visiting communities because is good to know about how they are, if they are with some economic or health problems, for example Alvaro David and Emerson Danie López Pineda are twins but Alvaro David is deaf and can't speak and his mom every day goes to Cojutepeque City to the special School for Alvaro, they have to pay for bus and food.

Some of the university students (living in communities) has a lot of challenges, they have to leave from their communities around 4 or 5 o'clock in the morning to be at the university if they have classes online they have to go somewhere (some relatives or friends) to get internet and is more difficult for them to receive their classes.

Christine & Andrew Craven
shared a "Thank You" card that they received
recently from El Salvador – expressing much Gratitude
for the love and support that has been shared with the students in this program – All God's Children.

(This message also – Greetings to all members of Swiss United)

Attending Via Zoom: Pat Pluss

Meeting called to order by Kim Bright at 6:30 pm and Pat Pluss led us in prayer.
A request was made that we discuss the possibility of getting air conditioning in the church. Kim will forward the request to the Property Committee.

Approval of Agenda
Heidi Mondloch moved to approve the agenda as presented; Shelly Johnson seconded. Motion carried.

Approval of July Minutes
Kim Bright moved to approve the June Consistory Meeting Minutes as presented; Tabatha Barnaby seconded. Motion carried.

Treasurer's Report by Shelly Johnson
July was another strong month financially for Swiss Church with income of $20,846 ($3301 above budget) and expenses of $15,959 ($3060 below budget), resulting in a Net Income for the month of $4,887 and a YTD Net Income of $10,572. The General Fund balance after check approvals is $71,803.84 and the Property Fund balance is $100,068. There are several ongoing property projects for which this money will be utilized. Please refer to the Property Committee report for a detailed list.
I am recommending approval of the checks as presented. The only one potentially requiring additional explanation is the TK Elevator invoice from the June 4th elevator repair that wasn't paid last month because we were disputing the amount. The original invoice was $1,445.51, but was reduced to $990.34 as a result of our dispute. I will be working with Marlis and Tom Marty to see if we have an opportunity to contract with an alternative elevator maintenance and repair company beginning in 2024 (as our regular inspections are already paid through the end of this year).

- Kim Bright will follow up with Monona Plumbing on the repair of the protection device that was to be repaired free of charge along with the five-year inspection of the system.

Nancy Galhouse moved to approve the Treasurer's Report as presented; Tabatha Barnaby seconded. Motion carried.
Checks written were reviewed. Kim Bright moved to approve the checks as presented; Rachel Baker seconded. Motion carried.
