A Message from Our Pastor, Pat Pluss ...

How appropriate that Ash Wednesday falls on Valentine's Day this year! What a better reminder for us that Lent is all about love. It is a time to truly focus on the love our Savior has for each of us. It is a time to be intentional about growing in our faith so we might come to know the depths of that love. The Apostle Paul said it beautifully in **Ephesians 3:17-18** *"I pray that you being rooted and established in love, may have power, together*

with all the saints, to grasp how wide and long and high and deep is the love of Christ!"

The Christian observance of Lent is 40 days and starts on Ash Wednesday (a day of confessing our sins, the use of ashes reminds us of our own mortality) and ends on the Saturday before Easter.

Typically, we do not count Sundays. Traditionally Christians chose 40 days to remember the 40 days that Jesus spent in the desert where he fasted and was tempted by the devil. Traditionally during Lent Christians pray more, fast, and are more intentional about giving to the poor. Lent often includes giving up of something such as meat, desserts, watching television, or gossiping!

I would like to encourage all of us to take on a discipline that will increase your understanding of God, and hopefully in turn will help you realize the depths of His love! One way I am suggesting to do this is to get a devotional book and read it daily through Lent. You could pick-up an Upper Room devotional, the church has these available on the counter top by the sound system box outside of the sanctuary. There are many devotional books on the stand between the two-sanctuary doors (where we keep our welcome bags). Use one of those devotional books and return it when you are finished. I will also have some devotional books available, Lent in Plain Sight by Jill J. Duffield. We will be using this book for our Tuesday book club, but it is also wonderful for personal use, or to share as a family. I will be ordering extra, so if you would like a book – please email me or leave a message at the church office. The cost of the book is \$10.

My prayer is all of us will make choices during Lent that draw us closer to God, then like the prayer of the Apostle Paul, come Easter, we will understand how wide and long, and high and deep, the love of Christ truly is!

Blessings,
Pat

Thank You

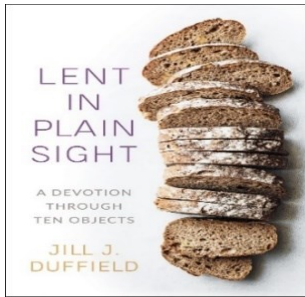

We'd like to say thank you so much for the wonderful, thoughtful activity gifts given to Frankie. She's one tough cookie to keep down while recovering from her back surgery so it is so helpful to have some new activities to keep her busy mind occupied while her body heals. We cannot say enough how much we appreciate all the prayers and support. It makes us feel so blessed and lucky to have such an amazing church family thinking of us.

Thanks Again,
Keith and Ashley Rockett

Lenten Book Study

I will be purchasing multiple copies of the book Lent in Plain Sight – this book will be used for our Lenten book study, but also would be wonderful to use for a personal devotional reading. It would be a wonderful book to use as a daily devotion for families, couples, a men's group, women's group or personal use. If you would like to be a part of the Lenten Study, we will meet for 6 weeks during Lent to discuss the readings. The class will meet Tuesdays,

February 20 – Tuesday, March 26. We will meet from 9:30am – 11am in the Bank Office building conference room (lower level). If you would like to join me for this Lenten study or would simply like a book for personal use, please let me know. The cost of the book is \$10. Invite someone to join you for the study, or simply to read along with you and discuss over coffee!

Mission Project for Lent!

Our mission project for Lent will be to purchase Honeybees through Heifer International! A Heifer honeybee gift donation includes a bee package, hive, box and training in beekeeping techniques. When you buy bees for a family in need your gift:

- Increases the global honeybee population to support the environment
- Boosts income through sales of honey, wax and pollen
- Stimulates growth of the family's crops through pollination
- Proves healthy food for everyone

Sometimes it's the smallest gifts that make the largest impact. Healthy beehives can double fruit and vegetable yields of small farms. Let your honeybee donation turn a family's struggle into a lifetime of opportunity. We will keep track of all donations given toward our Heifer fundraiser and share it in worship. If you wish to support this mission project please mark your giving envelopes or check "Heifer Bee mission". Thank you for your support!

Swiss UCC Consistory Meeting Minutes December 13, 2023

Attending: Kim Bright, Chris Kiesz, Nancy Galhouse, Heidi Mondloch, Rachel Baker, Gary Krahenbuhl, Tabatha Barnaby, Shelly Johnson, Ron Legler, Jessica Swan

Absent: Pat Pluss

A holiday meal was served before the meeting. Meeting called to order by Kim Bright at 6:25. Nancy Galhouse led us in prayer.

Approval of Agenda

Chris Kiesz moved to approve the agenda as presented; Nancy Galhouse seconded. Motion carried.

Approval of November Minutes

Shelley Johnson moved to approve the November minutes with the following revisions:

- Christine Craven, who manages the All God's Children Program for Swiss Church, requested a transfer of \$17,680 in the AGC restricted account to the Swiss Church All God's Children liaison in Mexico.
- Closed Session Minutes are to be separated from Open Session Minutes and are not for publication.

Tabatha Barnaby seconded. Motion carried.

Treasurer's Report by Shelly Johnson

Giving was down again in November while expenses remained pretty constant, resulting in a net loss for the month of \$2,805 which leaves us in the black for the year by just \$1,008. However, December is typically our strongest month of the year for donations, and we have five Sundays in December this year so I'm confident that we'll end the year strong.

If you compare our YTD results thru November from 2022 to 2023, our income is only about \$2,000 below this time last year but our expenses are nearly \$11,000 higher. I expect some of that to moderate in December but have accounted for those higher expenses in our 2024 draft budget which we'll be reviewing at the Consistory meeting.

The church remains financially strong with a General Fund balance of \$67,447 and a Property Fund balance of \$91,698 - along with our cash reserves and CD. Additionally, we are nearly to our \$10,000 goal for OCWM with a current balance of \$9,420.

Heidi Mondloch moved to approve the Treasurer's Report; Tabatha Barnaby seconded. Motion carried.

Shelly Johnson moved to approve the checks as presented by Marlis Silver; Rachel Baker seconded. Motion carried.

SUCC Consistory –

(Submitted by Nancy Galhouse, Consistory Vice-Pres.)

HAPPY NEW YEAR to my church family. That is how I think of each and every one of you.

I look forward every week to singing, greeting each other and hearing what is going on in our FAMILY. We have joys and concerns and much to be thankful for. Our FAMILY wants to share and hopefully we go through our week thanking God for our many blessings. The list we ask of God goes on and on. We pray for our children, Pastor Pat and her family, healing for our church members, our country and our leaders, world peace and our friends. The list is endless with all we ask of God.

The wants and needs and blessings we talk with our Father about gives us comfort. Time to slow down and reflect about what and who are important.

We each come to church for different reasons. The joy of singing and music lifts us up, Pastor Pat's sermon and message give us a roadmap for our week and life. For some who may not have family nearby, the sense of community and caring gives a warm welcome and as with me the sense of family that is our church. We are happier, healthier and live longer by coming to church.

The lessons learned each Sunday are long lasting, for a lifetime and important.

Swiss United Church of Christ is an open and affirming congregation where all are welcome. I miss greeting each other since COVID. No matter where we sat if there was a visitor they were greeted. If we moved around we could get to know someone else a little better. I love to find out people's stories, which would make me sometimes the last one back to my seat. Everybody didn't grow up in New Glarus. New Glarus as have many places changed over the years. We're lucky to still have that small town feeling and warm welcome. There are many new faces. Let's greet them and get to know their story and share ours.

Nancy Galhouse
SUCC Consistory Vice President
