A Message from Our Pastor, Pat Pluss ...

My husband Dave isn't really big on sweets. He'll have the occasional cookie or a small slice of cake, but he almost never asks me to bake anything just for him. The one exception? Lemon meringue pie. It is his favorite, so for his birthday I make one each year.

Making lemon pie starts with tart, sour lemons – the kind that can make you pucker just from the smell. But once you add sugar and carefully follow the recipe, the turns into something sweet and delicious.

In a lot of ways, life is like that. We all go through bitter moments, - hardships, disappointments, and challenges that sting. In those moments, it can be hard to imagine that anything good could come from them.

But just like a recipe balances sour and sweet to create something wonderful, God is at work in our lives, blending our experiences into something meaningful. He takes the sour parts, the struggles we face and through His grace, transforms them. When we trust Him and surrender those struggles, we begin to see that even the hardest times have a purpose. They teach us patience, build our faith, and remind us of His constant love. The bitterness of the lemon is what gives the pie its flavor. The same is true of our challenges. They shape us, refine us, and draw us closer to God.

The apostle Paul writes this in **Romans 8:28** *“And we know that in all things God works for the good of those who love Him, who have been called according to His purpose.”*

The next time life hands you some lemons, don't just taste the bitterness – remember the promise. Trust that God is using every moment, even the hard ones, to create something good. And in time we will all taste the sweetness of His plan!

I look forward to sharing worship with you. Blessings ~ Pat

PS- We will be **“Building a Wall of Caring”**. While dessert is a sweet treat many of us enjoy, we are mindful that some local families struggle to put any food on the table. To help meet this need, Swiss UCC is partnering with the Green Cares Food Pantry in Monticello, WI for a special mission project. Throughout the month of **June, we will be collecting boxed pasta (any kind) and cereal**. As part of the project, we will be building “Food Wall” in our sanctuary-one side with boxes of cereal and the other with boxes of pasta. Your invited to bring your donations to the altar area as we create this visual reminder of our community's generosity. **Please remember to check the expiration dates** before donating. Our collection for July will be announced soon, as we continue to coordinate with Green Cares to determine their most pressing needs-especially as many children will be without access to school meals during the summer break. Thank you for your support!

Upcoming Church Events and Activities . . .

Friends & Fellowship Summer Events

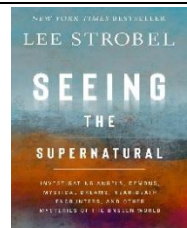

Join us for Friends and Fellowship events this summer! We'll be gathering at 6pm on the fourth Thursday of June, July and August – **June 26th, July 24th, and August 28th** – at **Dirty Dog's Taphaus**.

Our gracious hosts, Keith and Leah, will reserve tables so we can enjoy good company together. Dirty Dog offers a variety of delicious dinner options for purchase, including pizza and pulled pork sandwiches. You're welcome to bring your own soda, or treat yourself to their popular root beer on tap and other tasty beverages.

Bring a friend (or a few!) and enjoy a relaxed evening of food, fellowship, and fun. We hope to see you there!

Book Club -- Summer book club will be held monthly, with a **one-time** discussion meeting. There will be two options each month to meet. Come to either meeting or both if you would like!

June's Book Club: June's book is *Seeing The Supernatural*, cost of the book is \$18. Please let Pat know if you would like a copy. The June meeting options are **Tuesday, June 17th** – 9:30am-11am **or Wednesday, June 18th** -6:30pm – 7:30pm.

As the bestselling author of the popular *Case For* series, which has sold millions of copies, Lee Strobel has interviewed some of the most brilliant scientists and philosophical thinkers in the world on topics of apologetics and faith. In *Seeing the Supernatural*, Lee weaves together his best material from several previous books with dynamic new and never-published interviews to investigate what the Bible really teaches about the unseen world.

Written for skeptics and believers alike, *Seeing the Supernatural* is a transformative exploration of how the supernatural can shape our understanding of God's character and our own faith.

July's Book Club: July's book is *52 Churches* cost of the book is \$16. Please let Pat know if you would like a copy. The July meeting options are **Tuesday, July 15** – 9:30am-11am **or Wednesday, July 16** -6:30pm – 7:30pm.

They say there's no such thing as a perfect church. Well, one author decided to test that theory out for himself. Peter DeHaan spent an entire year roaming from one church to another, visiting 52 different Christian congregations. In the process he learned what makes these places of worship unique, what makes newcomers feel like they belong, and what cringe-worthy shenanigans are guaranteed to keep visitors from ever coming back. In his travels, Peter learned about different denominations and worship styles as well as what happens when imperfect humans gather together in the name of a perfect God. What he discovered was occasionally funny, always interesting, and at times absurd. So absurd that he wrote a book about his experience.

August Book Club is yet to be decided! If you have suggestions, please tell Pat.

August meeting options are: Tuesday, August 19 – 9:30am -11am or Wednesday, August 20 – 6:30pm - 7:30pm. Everyone is welcome – please invite others to join you!

June Consistory Article

Submitted by Ron Legler

As a member of our Swiss United Church of Christ's Consistory, one opportunity I enjoy is participating as a liaison member to the Historical Committee. Our monthly meetings provide me the opportunity to learn about the history of our church and the dedication of our members over time. It is inspiring to read and hear about the sacrifices people have made during tough times in their own lives to make a difference for our church.

Currently we are working on plans to celebrate several events connected to the life of our church. The Constitution of our Congregation will officially be 175 years old on June 25, 2025. This date was when the men of the colony of New Glarus and the settlement of Bilten met to organize as a congregation. The first Pastor was Wilhelm Streissguth, who had just arrived earlier that week on foot from Milwaukee. Our Committee has plans to honor this event on **June 22, 2025. Included on that day will be a panoramic photo taken of our current congregation following church.** Please be sure to attend!

We will also celebrate the 125th Anniversary of the "Laying of the Cornerstone" of our current church building. We plan to celebrate this historical event on Sunday, August 31st. There will be special music and a "Cornerstone Coffee Cafe" that morning following the service.

We are also working on a pictorial display (similar to the Pioneer Cemetery display that was installed last summer near the kiosk) to honor the women of our church and community. This will especially honor the early immigrant pioneer women who have not been officially recognized for their contributions to our church and community. If you know of any photographs connected to the early New Glarus pioneer women, or women's groups from our church, our committee would appreciate looking at them to see if they might work into our display.

Hope to see you all soon at church and at these special events!

Mission Committee – Update on Activities

Here's an update on the mission work that has been going on in the first part of the year.

- ❖ In January we completed our project to raise \$20K for a clean water well. We decided on the location of Sierra Leone in Africa for our well. An informational display about the progress is in Fellowship Hall.
- ❖ We continue to support Green Cares and donated nearly \$800 in January.
- ❖ In February we collected \$2,200 for California wildfire relief and Valentines were sent out to our shut-ins.
- ❖ In March we created 80 pairs of shorts for our Britches for Boys project. Those were sent off to Michigan where they will be forwarded to Africa.
- ❖ The confirmands created and delivered gift bags for our shut-ins.

- ❖ In April we collected \$680 for earthquake relief in Myanmar and Thailand through our UCC conference.
- ❖ Our Easter breakfast free-will Offering collected \$180 for youth ministries.
- ❖ In May both the Planned Giving and the Mission committee purchased bikes to be donated to the New Glarus Bike Rodeo.

What all this means is that Swiss Church is doing God's work in many, many ways and in many, many places. "Thank you" all for your generosity in supporting the mission work of our church.

If you would like to be a part of the Mission Committee, or have a suggestion for a mission project, please contact Pastor Pat or any member of the Committee which includes: Denny and Rachel Baker, Cheryl Bartle, Christine Craven, Nora Lea Hoesly, Nancy Marty or Kristina Ziltner.

Silver Bag – Children's Moments!

This summer, we're inviting members of the congregation to help with our Children's Moments. If you're willing to participate, simply take home the silver bag, place an item inside it, and bring it back the following Sunday.

During the service, Pat and the children will open the bag and explore what the item can teach us about God, our faith, our church, or one another.

The item can be just about anything – something from the kitchen, a decoration, a tool from the garage, or even something related to a hobby. Be creative! Just make sure it is safe to handle and easy to show.

Thank you for being a part of this special summer ministry!
